

Finding the right type of care doesn't have to be difficult.

You are not alone, we can help you.

Family owned and operated, Lakeview Rest Homes have been the best in residential care for 30 years.

We are here to help you. We know most admissions are unplanned and the steps are confusing.

We can take you through this process from beginning to end with guidance on...

- Things to consider when choosing a home
- Independent help and advice
- Respite care
- Dementia care
- Fees and funding
- The right care home and facilities
- Questions to ask

"Lakeview provide a superior level of care and support to all the residents, nothing is too much trouble. At all times, the dignity of all is a major consideration. The home is warm and spotlessly clean.."

Mark B (Resident's Son)

"We were really impressed with your home and the management. The home is nothing like we have ever seen before."
